History & Philosophy

We take this Opportunity to introduce ourselves as one of the upcoming manufacturers of all.

Awdhesh Fabricators being as a general works contractor in 1993. Over the years the group has taken many challenging projects and accumulated skills, know-how and experiences build solutions, project management services, building trades and related engineering works.

Today Awdhesh Fabricators taken on the role of main contractor for small and medium size projects and perform project management services to coordinates for industrial/commercial projects, we also provide value-add services to our clients.

Our objective is to provide our clients with an “I am assured” experience when we are chosen to execute their projects, our emphasis on clear communication and follow-through procedures ensures that client’s objectives are top priority in the planning and execution of all our processes.

Our project management and execution philosophy are:

- ❖ Create detail schedule and resources plan to meet client’s project objectives.
- ❖ Communicate clearly with as all project stockholders.
- ❖ Track project progress and fine-tune deviations.
- ❖ Supervise closely on quality of work done.
- ❖ Complete and commission the project on time.

We take pride in our delivery; thus, our clients can always be assured that only the most experienced and qualified peoples are serving them, all the time.

AWDHESH FABRICATORS
